**« The Bastide of Saint Tropez, is a quiet little heaven spot, in the heart of the Provence region, sheltered from the Saint Tropez noisy life »**

The Bastide of Saint Tropez, Relais et Châteaux 's member since 2009, is managed by Fabien Delaffon, coming from the Champagne area.

Behind the wrought iron portal, in a beautiful shady park, planted with exceptional Provencal species, you will find four elegant tropezienne houses well hidden.

Most of the rooms have just been decorated with exquisite taste by the owner. Our head chef is serving you a high quality food in our restaurant called « l'Olivier ».

Just a few minutes away from Saint Tropez 's center, in the heart of heavenly and exotic garden, overlooking a magnificent heated swimming pool, our 10 rooms, 6 junior suites, 5 suites and 5 apartments with their own terraces, private gardens and Jacuzzis. Everything is created for you to make you live a real true life experience.
